COCOM DOC. No. 3661

Paris, 9th September, 1959

MEMORANDUM BY THE GERMAN DELEGATION
ON THE EXPORT TO HUNGARY OF NICKEL POWDER

The German authorities have received an application to license the export to Hungary of

0,3 kg nickel powder 98-99%,
covered by item 11 AEL,
valued at \$1,65

The nickel powder is to be shipped with other laboratory chemicals^{ref} falling under the International Atomic Energy List. The purchaser is MEDIMPEX, Budapest.

In view of the small quantity and value involved, the German authorities intend to grant the licence (within the framework of minimum-shipment procedure) if, as they trust, no objections will be raised by the date of 17th of September.
